## 2008 MasterCraft 197

\$38 950.00

### Equipped with:

Upgraded MCX 350 Multi Port Fuel Injection  
Perfect Pass StarGazer GPS Cruise Control  
Heater  
Bimini Top  
Cover  
Single Axle Trailer w/ Brakes and Folding Tongue  
109 HRS

### Description:

The MasterCraft ProStar Series has been the dominate model in competition skiing for years, but with the 197 you get the competition wake plus an open bow. Match that with the new Perfect Pass GPS Cruise System and you have the ultimate package. It is equipped with the upgraded MCX 350 with Multi Port Fuel Injection. This boat has been well taken care of and barely used with only 109 HRS. Kept in Dry Storage, used by a boating veteran, this boat is like going new without the price.
